BEGINNING SIGN LANGUAGE

- * Days of Week
- * Family Relationships
- * Emergency & Medical Signs
- * Animals

We will be learning how to put our vocabulary words into sentences and how to express ourselves with gestures and body language.

INTERMEDIATE SIGN LANGUAGE - NOT AVAILABLE THIS SESSION

This class will work extensively on finger-spelling and how to read it. Through the use of games we will concentrate on more one-on-one communication. New vocabulary words will be taught each week and used in our sign conversation.

*In order to take this class, you must have a working knowledge of Beginning Sign, or equivalent.

ADVANCED SIGN LANGUAGE - NOT AVAILABLE THIS SESSION

This class concentrates on building your sign capabilities and confidence. The instructor gives directions and conducts most of the class in sign, so you will need to have enough ability to understand fairly well.
